Spring Safety Seminar – Saturday May 21 10:00 AM

Anatomy of a Flight Review

Saturday May 21 10:00 AM

Presented by: Daryl Smith

If you haven't had a flight review for a while, have one coming up, or just want a pilot refresher for summer flying, then this interactive seminar will give you the information you need to get back in the air.

We will cover a wide array of topics that are applicable to students through Commercial pilots, such as airport safety, techniques for handling specific aircraft, and handling inoperative equipment.

There will also be stories from actual flight reviews as well as recent accident statistics from this area.

Daryl is a Designated Pilot Examiner and general aviation enthusiast. He is a parachute rigger, glider pilot, airplane pilot, balloon pilot, and mechanic

Sponsored by EAA Chapter 1310, the FAA Safety Team and the Bradley FSDO.

Come early beginning around 9:00. Coffee and breakfast sandwiches will be available.

Qualifies for WINGS Credit. Visit www.FAASafety.gov or www.eaa1310.org for the registration link.

New Jersey 99's Spring Flyout Challenge Scholarship Fund Raiser

The Spring Flyout Challenge is about doing one of the things you love most: flying! We've chosen 10 airports in and around NJ along the Northeastern seaboard. Your challenge is to fly as many of these airports as you can between May 1st and 31st, collecting points along the way.

Not a pilot, but still want to support the NJ99s? Each entry card purchase (\$25) still earns you 1 point toward our prizes, even without flying!

What prizes can I win?

- Lightspeed Zulu 3 Headset - \$850 value
- iPad mini, 6th generation, 256GB, WiFi + Cellular with case - \$825 value
- GoPro HERO10 Camera with 128GB Memory Card, plus NFlightCam Cockpit Kit with prop filters, audio cable, mount, and case - total \$740 value
- Oculus Quest 2 VR, 256 GB, Elite Strap with Battery, Case - \$528 value
- ForeFlight Sentry ADS-B Receiver - \$499 value
- Win the Decaerodrome Trophy and a chance to win a dual experience flight in a 1943 Boeing Stearman. Fly to all 10 airports to become eligible.
- Win the Spirit Award and \$100 cash for the most engaging, creative, and inspirational flyout photo evidence, sponsored by AeroSafety Training.

How do I earn points?

Each entry card equals 1 point.

Fly to 1-3 airports and earn 1 point on every entry card.

Fly to 4-6 airports and earn 2 points on every entry card

Fly to 7-9 airports and earn 3 points on every entry card.

Fly to all 10 airports and earn 5 points on every entry card, and an entry to win a dual experience flight in a 1943 Boeing Stearman.

Aviation eMail Newsletters

I try to not duplicate newsletter items that can be widely found from other sources, and news specific to the chapter is rather sparse, so we'll revert back to a bi-monthly publication schedule.

To fill in your need for specific aviation news, here's some other free newsletters you can subscribe to:

From EAA

<https://www.eaa.org/ea/news-and-publications/ea-news-and-aviation-news/ea-aviation-newsletters>

eHotline

Get the latest EAA news and program updates every Thursday.

ChapterGram

Stay informed on essential information for chapters with news and tips.

Bits and Pieces

For Canadian builders and fliers. Get aviation news, information, and a calendar of events.

In the Loop

Step inside the world of recreational and competition aerobatics through videos, photos, and articles.

EAA Volunteer

Current and prospective volunteers receive updates about AirVenture and year-round opportunities.

From AOPA

<https://www.aopa.org/news-and-media/publications/newsletters>

AOPA ePilot

AOPA ePilot is the No. 1 aviation e-newsletter, reaching 220,000 members each week. Every Friday morning, AOPA delivers the latest news, flying adventures, safety tips, and advocacy updates that affect your flying right to your inbox.

Flight Training

Geared toward student pilots and new pilots, the weekly Flight Training e-newsletter provides scenario-based training tips, flight training news and scholarship information, training resources, and career pilot news. It also includes fun features such as a Final Exam question-and-answer section and a photo of the week.

Aviation eBrief

General aviation makes news every day, but there are so many positive stories produced at local levels that they are seldom picked up by the major news organizations. In order to bring you up-

to-the-minute GA news—the positive and inspirational stories, as well as the difficult ones—AOPA is offering Aviation eBrief, powered by SmartBrief.

Flight School Business

Flight School Business is dedicated to serving the needs of flight school owners and managers, and the businesses and services that support them. Each issue of the Flight School Business biweekly newsletter delivers news, marketing strategies, safety information, and more. It's all geared to help you run your flight school more effectively.

Club Connector

AOPA's research has revealed that flying club leaders are hungry to learn more about the practical experiences of other clubs. Stay connected through the monthly AOPA Flying Club Network's Club Connector e-newsletter, which provides useful news, information, and ideas from flying clubs nationwide.

CFI to CFI

Need creative tips on sharpening your maneuver demonstration or how to help your students succeed? Whether you're an active CFI or getting back into instructing, the Air Safety Institute recommends its free quarterly CFI to CFI newsletter, which is optimized for PC and digital tablets. You'll find thought-provoking articles and videos, tips from fellow CFIs, and safety quizzes and courses to share with your students.

AOPA Live This Week

Tens of thousands of pilots have found a new way to get the week's general aviation news. AOPA Live This Week, aviation's most popular and complete weekly aviation videocast, wraps up the week's news and features in a 15-minute video package. This free newsletter is your weekly link to AOPA Live This Week. Wherever you are and on whatever device you use from mobile to desktop to TV, lean back and enjoy this quick and complete new approach to general aviation news.

AOPA Travel Pilot

AOPA Travel Pilot is a free biweekly newsletter that will help give you the inspiration and tools you need as a GA pilot to embark on epic aviation adventures, weekend getaways, or day trips. Explore the world from the airport out!
