## Next Event

---

Young Eagles Flights - Saturday July 15 9:00 AM to Noon.

We have 40 kids signed up for this event. A big thank you to the pilots who have volunteered to fly that day, and to the ground crew who will help make the event go smoothly. Flights are planned to leave about hourly from 9 AM through Noon, so please plan on being at Skylark about 8:15 to get set up and go through the introductory briefing.

We have a need for a couple more people on the ground to help explain all the benefits of the Young Eagles program, and to discuss aviation with the kids and parents.

Please contact Paul at [info@caa1310.org](mailto:info@caa1310.org), or call 860-930-9999 if you will be able to help that morning.
